

28 JUL 1982

MEMORANDUM FOR: Chairman, DCI Security Committee

FROM:
CIA Member, DCI Security Committee

SUBJECT: DCID 1/7

REFERENCE: SECOM-D-229, dated 29 June 1982, same Subject

There is no objection to granting DIA the relief sought. It does not appear, however, that the circumstances involved require SECOM action. Neither the language nor the intent of DCID 1/7 are directed toward the type of contractual relationship at issue. The matter would better be resolved internally by the DIA and not as a question that warrants SECOM attention. It is noted that referral to the SECOM has no positive or negative impact on risk inherent in the contractual relationship; it will continue with or without the blessing of SECOM.

The attached is late due to a misunderstanding. As a result of informal discussion with the SECOM staff, I thought the position of the Chairman had been adopted and a response was not necessary. I was wrong; at the last meeting members were reminded that several had not responded. We are included and, therefore, the attached.
